Mount Albert, ON · 647-300-7127 · adam.nunvar@gmail.com · linkedin.com/in/adam-nunvar-423a0a282

PROFILE

Fourth-year kinesiology student and canfitpro-certified personal trainer with 3+ years of coaching experience across one-on-one, group, and older-adult populations. Founded and operate Mount Wellness, a small-group fitness program for older adults. Working toward registration with the College of Kinesiologists of Ontario.

EDUCATION

Bachelor of Applied Science, Kinesiology — University of Guelph-Humber, Etobicoke, ON — Sep 2023 – Present

- 93.71% cumulative average; University Scholarship recipient (2023 – present)
- 2026 Kinesiology Award: highest grade in Exercise Physiology (April 2026); 96%+ in 11 courses

CERTIFICATIONS

canfitpro Personal Training Specialist — theory and practical exams passed — Jan 2024 – Present
canfitpro Active Aging Certification — Apr 2026 – Present
CPR/AED Level C — Dec 2025 – Dec 2026

EXPERIENCE

Founder & Instructor — Mount Wellness, Mount Albert, ON — May 2026 – Present

- Founded and run a small-group functional fitness program for older adults at the Mount Albert Legion; plan and lead every class
- Grew to 22 registered clients and 10–12 weekly regulars across two classes within six months; profitable without grant funding
- Built client intake and safety documentation (waivers, intake forms) and the full pricing structure: free trial, drop-in, class bundles, institutional rate
- Ran local marketing end to end: posters, 500 door hangers, social media, Google Business Profile, and mountwellness.ca; set up referral partnerships with local businesses
- Manage bookkeeping, budgeting, revenue projections, and grant allocation records; hired and paid a substitute instructor to keep classes running during absences

Recreation Placement Student (KIN*3190) — Town of East Gwillimbury, ON — Sep 2026 – Present

- Completed a gap analysis comparing East Gwillimbury's drop-in programs with those of other municipalities
- Developing a three-part active aging workshop series for older adults; substitute-taught recreation classes and supported the Senior Health and Wellness Fair

Rehabilitation Practitioner Assistant (KIN*3090 Placement) — The Spot Physiotherapy Rehab & Performance, Markham, ON — Jan 2026 – Mar 2026

- Demonstrated and progressed therapeutic exercise programs for patients with musculoskeletal conditions under clinician supervision
- Observed assessment and treatment of acute and chronic conditions of the ankle, back, shoulder, elbow, neck, groin, and jaw

Personal Trainer — Humber Athletics, Etobicoke, ON — Sep 2024 – Present

- Run initial consultations and design individualized programs for one-on-one clients, coaching technique and safe exercise progression
- Trained ~15 one-on-one clients and led group fitness classes; several clients purchased additional sessions
- Track client progress with per-session logs and manage scheduling and client records in Jane

Volunteer — Speed Training Lab + High Performance Centre, Vaughan, ON — Feb 2024 – Mar 2024

- Shadowed speed-training sessions, assisted coaches in delivering group sessions, and operated high-speed treadmills
